The Solution

The annual Fashion Show was held in the school auditorium on February 23rd. As always, the night was a sellout, with almost two hundred people watching the show.

A number of Year 11 students modelled dresses from Belle Evening Wear and tuxedos from Toughgear Menswear. Everyone looked stunning in their prom dresses and tuxedos, and the evening ended with an 'auction of dates' which raised hundreds of pounds for the Prom Fund. Thank you to everyone who took part or helped on the evening.

The Prom was held on June 28th at Lumley Castle. Once again the event was a massive success, even if it meant Year 11 students having to brave the weather to celebrate their time at Easington Community Science College. Over one hundred staff and students attended and enjoyed the Prom Awards and disco. Year 11 voted Dominic Curry as Prom King and Lindsey Wharton as Prom Queen. Everyone had a fantastic time and a big thanks to Lynda Brown for coordinating the event.
