Welcome to Leeds Healthy Schools - 'designed with schools for schools'.

Being healthy safe cared for having a voice and influence are fundamental prerequisites to being ready to learn and achieving true potential - at any stage in our lives Our aim is to support schools to help their children and young people to grow healthily, safely and responsibly and to become active citizens who do their bit for society and for the environment The refreshed Healthy Schools toolkit within this site builds on the underlying principles of the English National Healthy School Programme and is available to all schools and settings - anywhere. It has been revised in consultation with schools and health partners. Content is aligned to the 2013 Ofsted framework and other available Ofsted guidance

School Health Check

This is an improved, simplified and Ofsted-ready version of National Healthy Schools Status (previously the Whole School Review/Annual Review. Schools review their provision for health and wellbeing across 4 areas PSHE, Healthy Eating, Physical Activity and EWMH. This includes a section on staff wellbeing The self-evaluation tool draws on all available Ofsted guidance, and uses judgement descriptors. Schools can identify their strengths, whilst any areas for development can be copy/pasted quickly into a simple online action plan. Many schools have welcomed the opportunity to check against a clear set of criteria and there is NO need for collections of files or writing of essays which comes as a relief to many!

Schools can self validate and receive a certificate on a 3 year cycle. An external assessment visit and feedback report on a three year cycle) is available. The written report provides useful evidence of provision for/ impact on spiritual, moral, social and cultural (SMSC development, learning, behaviour and safety
